

Global Unity Games

Sept. 11-21, 2016

The Inland Valley Interfaith Network is inviting our local communities (La Verne, Pomona, Upland, Claremont, Ontario, Rancho Cucamonga) to participate in the **Global Unity Games: Tomorrow Together, Sept 11-21**. The Games are part of an international movement to bring compassion to our communities (see the Charter for Compassion at www.charterforcompassion.org).

The Global Unity Games in September is an 11-day challenge to bring about unprecedented unity in communities around the world through compassionate action and service. By infusing the power of playfulness and compassion with the fun of friendly “coopetition,” the Games offer a unique way to strive together to serve each other, our own personal well-being, and the Earth.

There are many ways that individuals and teams can play, from organizing creative service projects to performing intentional acts of compassion to promote peace, unity, and dignity in our communities.

You are invited to report your compassionate activities on the Compassion Report Map (see instructions below).

We have registered the broader Inland Valley as a “team” on the Global Unity Games website. When players report compassionate acts, please use the team name “Compassionate Inland Valley” so that our efforts are reported collectively. The reports are reflected on the **Global Unity Games Scoreboard**. For more information about the Compassion Games as well as ideas for compassionate action, please go to the following website: <http://compassiongames.org>
